

Kaşif Kalkavan Çok Programlı Anadolu Lisesi

History

- **Our school was built in 1990 by the charitable businessman Hacı Kâşif KALKAVAN. However, within the scope of ISVEP, our school was demolished and moved to TOKI Yahya Kemal High School.**
- **From the beginning of education in 1990 until the end of the 1996-1997 academic year, 521 students from the middle school; Until the 2006-2007 academic year, 1074 students graduated from high school. In the 2007-2008 academic year, there are 555 permanent students, 326 males and 229 females. Between the 2009-2010 academic years, 550 students continue their education with 650 students between the 2010-2011 academic years**

***Those are my school's first spring
flowers in this years***

School garden is empty because of pandemic

Our schol's laboratory

Our school sports club

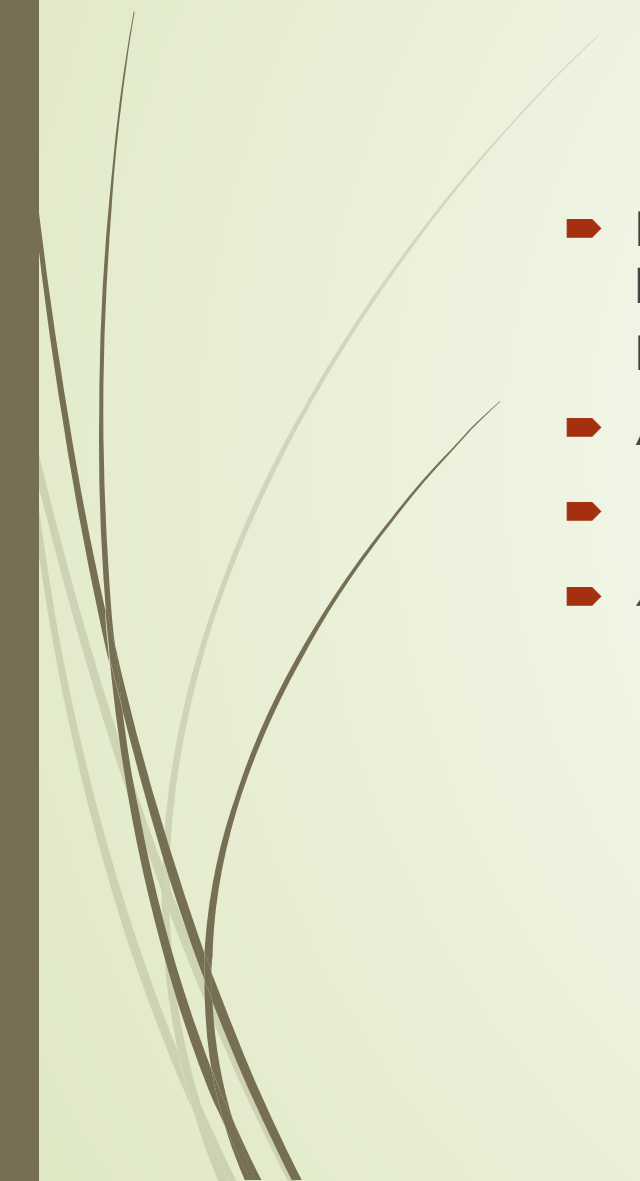

Our school library

Our school's computer classroom

- 
- 
- I like the environment since I came to school, disciplined and instructive, I like our teachers, they teach the lessons well, they do their best during the pandemic process.
